

Cheryl & Bud Somers

Greetings from C&B...

First... we want to thank you for your interest in our "Home Based" Business Opportunity.

We are Cheryl & Bud Somers... owners of C&B Getaways, Inc. (not too hard to figure out where the company name came from). We're a family owned business specializing in the national distribution of "Money Saving Opportunities" to the general public through a network of distributors.

We started our Distributorship Program back in January of 1998. C&B Getaways has grown over the years, and is now... with over 5,000 distributors... the largest and most successful distributorship program of its kind in the United States.

We attribute this success to our unique "Self-Perpetuating" Pay Program we developed for our distributors... and... Having the Best "Money Saving Opportunities" in the Travel Industry.

Our program offers our distributors the opportunity to earn a very substantial income by simply handing out Invitations. We are inviting you to join us as an Independent Travel Club Invitation Distributor for C&B Getaways. We hope you'll accept this "Personal Invitation" to join our Family of Distributors.

Warmest Regards,

**Cheryl & Bud Somers
