

HOW IT WORKS

COUPON DOUGH was designed to be an easy to use website and a great experience. At CouponDough.com, our team hand cuts coupons from newspapers all over the country, giving you access to national coupons from great brands. All you need to do is redeem your certificate, tell us which coupons you'd like, and we'll clip them and send them to you.

Here's How it Works:

1. Visit <http://www.coupondough.com/redeem.asp>
2. Enter your 9 digit Redemption CODE and your 4 digit PIN, and the security code shown on the screen. The Redemption CODE and PIN are on the back of your coupon book
3. This will take you to the CouponDough.com Redemption Center.
4. Here you can browse from a large variety of coupon categories.
5. Choose the coupons and quantities you'd like up to \$20.00 at a time. (Limit of 5 orders per 30 days). Limit of \$1,000 total coupons per book. You will receive 2 books in your package.
6. When you've finished selecting your coupons, click on "Click to Checkout".
7. Next, enter the address that you want us to send them to. A confirmation page will then be displayed.
8. Print this page and mail it to us along with a self-addressed stamped envelope.
9. Your coupons should arrive in 4-6 days. All you have to do now is take them to the store and save!

Don't have a computer? No need to worry. Your Coupon Book has instructions, grocery & restaurant index lists, and a mail-in order form. Hold on to the book until you have used the entire \$1,000 value. You will need the index lists on the inside and the CODE and PIN from the outside back cover of the book. A new order form will be sent with your coupons.
